

K-LOVE provides me with music that I want to hear through several communities on my way to work. I drive across 6 counties in Kentucky – 1.5 hours, one way – to work daily. The music is important to my life – I am also encouraged that an important message about Christ is getting out to numerous people, through uplifting music.

The effect on the local community if K-LOVE were to be displaced by an LPFM broadcaster providing other programming would be disastrous. I WANT to listen to this channel. Driving is peaceful for me when I have this station on in my car, which is ALL THE TIME.

I believe that the service provided by K-LOVE is in the public interest. K-LOVE is a one of a kind radio station! No commercials, family-friendly music, encouraging....getting a message out and reaching people far and wide. We have enough country music, news shows, rock music, oldies.....it is past time for radio programming like K-LOVE.
